PERSONAL PROFILE

I am a highly motivated and creative frontend developer and graphic designer with a passion for building visually stunning and user-friendly digital experiences. Proficient in HTML5, CSS3, JavaScript, React, Canva and Photoshop. I am seeking a challenging role that combines design and development to deliver innovative solutions.

CAREER HISTORY

- Graphic Designer for Living Waters International (2019 till present)
- Completed online courses in HTML5, CSS3, JavaScript, and React (Udemy)
- Completed online courses in Canva and Adobe Photoshop (Udemy)
- Started freelancing in graphic design in 2019.
- Started freelancing in Website Development in 2023.

PROJECTS

- Personal Website: Designed and developed a responsive website showcasing my skills and interests
- E-Commerce Website for a Jewelry and Fashion Brand
- Personal Branding: Created a visual identity for myself, including logo, business cards, and social media assets
- Mockup Designs: Designed mockups for hypothetical products or services

QUALIFICATION and CERTIFICATION

- The Complete 2024 Web Development Bootcamp by Dr. Angela Yu (2024): Udemy

- Web Design for Beginners: Real World Coding in HTML and CSS – Brad Schiff (2022): Udemy

- Adobe Photoshop 2023: A Beginner Guide to Photoshop Tools – Artisto Picasso (2023)
- BSc Psychology (2019 - 2023): University of Lagos

KEY COMPETENCES AND SKILLS

- Programming languages: HTML5, CSS3, JavaScript, React

- Frameworks/Libraries: Bootstrap

- Version control: Git

- Operating Systems: Windows

- Design software: Adobe Photoshop and Canva

- Graphic design principles: Color theory, typography, composition

---

- Objective: To secure an entry-level position as a frontend developer/graphic designer where I can apply my skills and learn from experienced professionals.
- Summary: Highly motivated and enthusiastic individual with a passion for frontend development and graphic design. Strong foundation in HTML5, CSS3, JavaScript, and Adobe Creative Suite.
